## NOTE.

---

To the few collectors who enjoyed the acquaintance of that genial and much esteemed gentleman, the late Rev. GEORGE C. ATHOLE, of New York, the importance of this sale will at once be perceived. The Collection consists of a choice selection of **SAXON, ENGLISH, IRISH and SCOTCH** Coins, gathered both in America and Europe, together with an unusually Fine and Complete Series of the Coinage of the **ISLE OF MAN**. Of the latter, too much, perhaps, cannot be said in praise. Himself a descendant of the Dukes of Athol, from 1758 to 1788 Lords of Man, Mr. Athole took an especial pride in rendering this series most complete. Many of the choicest specimens are from the celebrated Clay cabinet, and are of such exceeding rarity that upon no other occasion have they been offered for sale. The Scotch Coins also offer many specimens both fine and rare, and the Collection contains excellent lines of Foreign Copper and Silver as well.
